

EUSEW 2019 – EuroACE Session
Implement, Industrialise, and Imagine Future Building Renovation
Wednesday 19th June, 11.00-12.30

The session will address the role and contribution of energy efficient building renovation in Europe's energy future, with different time perspectives:

- **Implementation** of the amended Energy Performance of Buildings Directive after **2020**;
- Opportunities to **invest** more and **industrialise** the sector in order to accelerate actions by **2030**;
- **Imagining** a strategic **2050** vision for a climate neutral economy and society with energy efficient buildings at its core.

11.00-11.05 **Introduction by the moderator**
Mr. Adrian JOYCE, Secretary General, EuroACE

Building Renovation in 2020 – IMPLEMENT & INSPIRE

- 11.05-11.15** Presentation of the EuroACE Guide to EPBD Implementation
Mr. Adrian JOYCE, Secretary General, EuroACE
- 11.15-11.25** How to best implement the EPBD and what are good practices?
Ms. Orla COYLE, Programme Manager
SEAI -Sustainable Energy Authority of Ireland
- 11.25-11.35** Q&A Session I (including sli.do live polling)

Building Renovation by 2030 – INDUSTRIALISE & INVEST

- 11.35-11.45** Innovative solutions to upscale renovation
Ms. Sibyl STEUWER, Germany Programme Manager
BPIE – Buildings Performance Institute Europe
- 11.45-11.55** Mainstreaming smart & green buildings in the future
What role for financial institutions?
Mr. Remon ZAKARIA, Associate Director, Energy Efficiency and Climate Change, European Bank for Reconstruction & Development
- 11.55-12.10** Q&A Session II (including sli.do live polling)

Building Renovation towards 2050 - IMAGINE

- 12.10-12.20** The key role of energy renovation in the net zero GHG emission challenge
Mr. Quentin JOSSEN, Energy & Climate Change Consultant, Climact
- 12.20-12.25** Q&A Session III (including sli.do live polling)
- 12.25-12.30** **Conclusions by the moderator**
Mr. Adrian JOYCE, Secretary General, EuroACE
