

What will fuel tomorrow's mobility?

The session will address the issue of e-mobility in Europe in two intertwined round tables, one dedicated to the wider European strategic context and another devoted to projects and initiatives factually implementing e-mobility solutions.

Session organizers: [Transport Malta](#) | [Platform for Electro-mobility](#) | [Poliedra - Politecnico di Milano](#)

When: 19 June, 16h-17h30.

Format: 70' Panel + 20' Interactive Q&A with the audience.

Moderator: Julia Poliscanova | Manager, Clean Vehicles & Emobility, T&E
